

•WAIVER AND HIKING TRAILS LIABILITY:

In staying as a guest at Maui Eco Retreat, I am agreeing to release all employees, property owners, residents, contractors, facilitators and staff, neighbors and leaseholders from any liability of any nature, including but not limited to loss or damage to personal property or personal injury or death. In doing so, I accept full responsibility for myself, my guests or any other persons using the property at my invitation. I have voluntarily and knowingly decided to use the natural pools and hiking trails at Maui Eco Retreat after reading and understanding this release.

Please give special attention if you go to the waterfall and when you pass the bridge:

No swimming in the pool when there it is raining. Also, don't enter the pool shortly after a big rain. Always look if there are any clouds on the mountain above Makawao. If you are not sure if it is safe just stay above the pool and don't swim.

Don't drive over the bridge if there is water flowing. This happens only about once of twice in a year and flash flood warning will be on your i-phone as well.

I waive the possibility of blaming any resulting personal injury or other damage on Maui Eco Retreat, and I release and indemnify them from any and all judgments, claims, costs, liability, and expenses, including medical bills arising out of or in any way connected with my use of Maui Eco Retreat natural pools or hiking trails adjacent to Maui Eco Retreat Property. I acknowledge the risks of injury or drowning associated with natural pools, the ocean or hiking trails, and if nonetheless elect to use the natural pools and hiking rails, I take full responsibility for that decision and any injury, which may result. I accept and assume all risks associated with the use of natural pools, bathtub and hiking trails. I forfeit any claim for compensation, which I might otherwise have for any injuries occurring in connection with my use of the Maui Eco Retreat and natural pools hiking trails.
